Welcome
to the Blackboard resources for *Psychology*, Fourth Edition by Don Hockenbury & Sandra Hockenbury. These resources are designed to help students review key concepts from the textbook through interactive exercises and learning tools.

Students:
To access the course content, select the Course Documents tab in the left-hand navigation frame.

Instructors:
You must navigate from the Control Panel to Course Documents to access your hidden resources.

View the hidden "Instructor Resources" by clicking on [EDIT VIEW](#).

To redeploy a quiz or test in these chapters, click on [EDIT VIEW](#) and then [ADD TEST](#)

Select the test or quiz appropriate to that chapter. Click [Submit](#).

To make it available, click [Modify the Test options](#).

Under “(2) Test Availability”, select Yes for “Make the link available.” Click Submit.

The screenshot shows a web-based test configuration interface. It is divided into two main sections: '1 Test Information' and '2 Test Availability'.
In the '1 Test Information' section, the 'Name' field contains 'Chapter Summary Quiz'. Below it, there is a 'Choose Color of Name' section with a black color swatch and a 'Pick' button. The 'Description' field is empty. At the bottom of this section, there are radio buttons for 'Smart Text', 'Plain Text', and 'HTML', along with icons for mathematical symbols, a refresh button, and a 'Preview' button.
In the '2 Test Availability' section, there are two radio button options: 'Make the link available' (with 'Yes' selected) and 'Add a new announcement for this Test' (with 'No' selected). Below these are two checkboxes: 'Allow multiple attempts. Permit users to take this Test multiple times.' (unchecked) and 'Force Completion. Test must be completed the first time this is reached.' (unchecked).
An arrow points from the 'Yes' radio button in the 'Make the link available' section to the 'Yes' radio button in the 'Add a new announcement for this Test' section.

ASSESSMENT POOL

Test banks and quizzes are included in most Course Cartridges. To view them go to the Control Panel.

Then, go to the Pool Manager
